Be A Part of the Solution

The new Firewall Ministries Outreach Center

The new building has arrived!

God is so Good!!! The building has arrived and as I am writing this letter to you the set-up crew has finished the assembly of the modular and FPL has installed our power pole. The plumbers and the electricians are almost finished with their work and we ask that you pray fervently for favor during the permitting and inspection process.

Our goal is to be up and running by the end of January. I walked through the empty building yesterday and could see in the Spirit all the changed lives that will go through those doors.

The vision for Firewall in 2007 includes not only an expansion of the current tutoring and after school program but growth into many other areas of ministry. The people of the community, especially the youth are excited about a place that they can call their own. I am taking this opportunity to include a list of items that we will be needing for the new building and the approximate cost of each one. Please prayerfully consider helping us by donating an item or its dollar equivalent.

Remember that any gift given to our ministry is tax-deductible and you can be assured that God will abundantly bless you.

Modular Building Needs

- 16 Plastic Tables (\$1300)
- 10 Dell Laptops (\$5000)
- 1 Computer Server/Network Storage (\$3000)
- Student Software (\$2000)

- Firewall sign for outside (\$500)
- Kitchen utensils supplies (\$150)
- Awning for 2 entrance doors
- Grass and landscaping work
- Hurricane Shutters (\$5000)

Pastor Andy directs the activities at the Christmas Celebration Concert

Firewall Christmas Concert

We had a great event on December 17 when Chronicles, X-Road, and MOTC, local Christian bands, ministered to over 400 people. All enjoyed the music, food, and a powerful message.

We provided 250+ children with 2 toys each to make their holiday just a little brighter. It was amazing to see the faces of the children light up as they chose their gifts.

Thanks go to Joe Fernandes who helped coordinate this event. Also we want to thank the Marines of Toys for Tots, Tom Lukasik from 4 Kids, and several churches that donated toys that were given out on this day.

Palma Nova Children enjoy their Christmas gifts

Christmas Angel

Calvary Sawgrass came to Palma Nova on December 20 and ministered in word and song to 22 adopted families. A great time was had by all as over 70 children received special gifts.

Thanks for 2006

We want to thank everyone that has helped us throughout this remarkable year of victory for Firewall Ministries.

We know God has great plans for us in 2007 and we ask that you continue praying for us as we expand our outreach programs into the Palma Nova Community and beyond.

Remember that as our services to the community expand so do our expenses, please consider sending us a monthly donation as every dollar will be wisely spent to minister the Gospel through word and deed.

Firewall mourns passing of a friend

The Firewall Family lost a key member when Robert Flamm passed away unexpectedly.

He was our tutoring coordinator, a great mentor to the youth, along with being a close personal friend. He will be greatly missed, but we know he is rejoicing in the presence of the Lord.

God provides in our time of need

Our prayers for help at the passing of Robert were quickly answered by the arrival of Shaun and Dawn Roberts. They were ministering to youth and families across town and felt the call to come and help Firewall Ministries move into its exciting future.
