Dear Reverend Mauro,

Thank you and God bless you for your gift of \$11,515 to provide a well for the Kirindon ADP in Kenya. World Vision is privileged to join with you in a caring response to children and families in need. Together, we are engaged in a ministry of change and hope. Our assistance—which is a reflection of God’s love—helps empower communities to reach their full potential.

I am often reminded that poverty presents itself not only as an absence of tangible things, but also a lack of opportunities. This demands a holistic response, which faithful donors like you make possible. We help communities acquire the resources needed for a better quality of life, facilitate training to sustain progress, and open doors to new possibilities. When people can effect change through their own efforts, they have more confidence in themselves and what their future—and their children’s future—might hold. I am grateful for the part God allows us to play in this process of transformation.

Thank you for sharing your resources to help others have a brighter tomorrow. I pray that your spirit will be renewed in this Christmas season, as we rejoice and give thanks for what God has done for us. “This is how God showed his love among us: He sent his one and only Son into the world that we might live through him” (1 John 4:9, NIV). May God bless you abundantly in the coming year.

Sincerely,

Richard E. Stearns
