

# CALVARY CHAPEL SAWGRASS

## QUARTERLY FINANCIAL REPORT

### JANUARY-SEPTEMBER 2010

## DEAR CHURCH FAMILY,

Fall, 2010

**Momentum.** That is the best word I can think of to describe what I see happening at Calvary Sawgrass today. As I write, there is a great group of volunteers outside on our church lawn with giant inflatable rides and free candy, reaching over 1,000 new children and families from our community who just happen to be visiting the nursery next door for their annual fall festival. Our Kid Zone Children's Ministry launched a brand new church soccer league and all of our Fall Small Group ministries and Wednesday night Community Life groups are bursting with new energy! We are not only growing larger, but at the same time we are growing closer as more and more people connect to one another in fellowship than ever before. We now have 5 services every weekend and this September we broke every attendance record in our history and reached more people for Christ than any other September ever. There is a genuine sense of excitement as we grow together as a church family and **reach our world for Jesus Christ** - and none of it would be possible without your generosity! Thank you!

**There are two great things on the horizon at Calvary Sawgrass:**

**1 Thanksgiving Weekend!** – We'll be having special weekend services to express our thanks to God for all the blessings in our lives! In challenging times, it is more important than ever for us to remember how much we have to be truly grateful for. *Be sure to mark your calendars and bring your family and friends!*

**2. Christmas Eve Celebration Services!** – Yes, it is coming! We will be having amazing outreach services this Christmas and all December long. We have had all year to think and pray about it and this year we have some great surprises waiting for you. *Let your family and friends know and make plans now to join us!*

Finally, I invite you to think about your giving and take **God's Generosity Challenge**. As we grow in every way, God wants us to also grow in generosity. Take the first step by becoming a **priority giver** – make giving any amount to God a regular, consistent priority in your budget and financial life today. Take the next step by becoming a **percentage giver** – the biblical norm known as *tithing* – giving back to God the first 10% of all He gives to you. And finally, grow into a **generous giver** – giving not only your tithe to God, but sharing above and beyond as God blesses your faithfulness. Every gift matters and every person makes a difference – and we could never reach our world for Jesus Christ without you! Thank you!

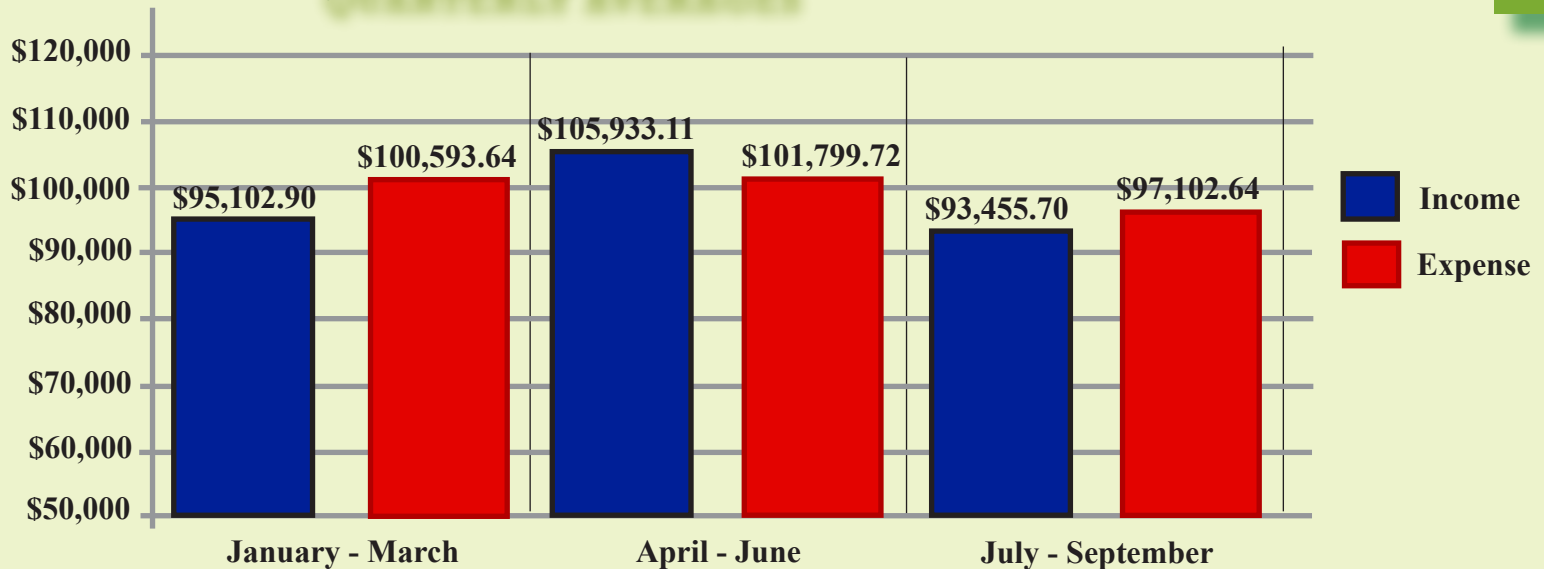

**“Bring the whole tithe into the storehouse that there may be food in My House, and prove Me now in this, says the Lord of hosts, and see if I will not open for you the windows of heaven and pour out such blessing that there will not be room enough to contain it.” Malachi 3:10**

Reaching Our World for Christ,

**Pastor Gary**

# 2010 MONTHLY INCOME & EXPENSES

## QUARTERLY AVERAGES

\*Above averages include tithes & offerings, missions, special events and all other income and expense.

## FROM THE PASTOR...

The above graph shows our average monthly income and expenses for the **first 3 Quarters of 2010**. As you can see, although we are growing rapidly, we have not yet met our budget goal of \$125,000/month and are currently under budget. I am praying that God will bless every person in our church family financially and that we will ALL take a step of faith forward to continue to reach our world for Jesus Christ! Please join me in praying that our congregation continues to grow in generosity and that we **finish the year strong** and fully fund the vision of Calvary Sawgrass! God bless you as you serve and give to the Lord!
